Dear Parents and Children,

Collective Worship

This week our focus has been "Winter" and we were blessed with some very seasonal weather to help us. The children have seen some beautiful winter images and had the opportunity to thank God for our amazing world.

Bike It Breakfast

Thank you for your support on a cold winter morning! We welcomed 82 cyclists and scooterists to our first big event of the year. This afternoon our Bike It councilors will attend the Bike It Annual meeting at the Ramada in Southport.

E-Safety Competition

Please keep sending in entries for this competition which Mrs. Beckingham has organised as part of International E-Safety day on Tuesday 9th February.

Beach School - Class One

The second group of Class One pupils braved Beach School Base Camp yesterday to do some shelter-building. It was a very cold session and the children did really well with their shelters and tree-climbing. Thank you to all the volunteers for their help.

Bottle Greenhouse

We just need another 300 2 litre bottles to finish the job! Please send in any bottles you have and we can get the greenhouse built ready for the planting and growing season.

PTA Film Night

We had 110 children enjoying "Paddington Bear" and some refreshments and this raised £280 for your PTA funds - thank you to all our volunteers once again.

New Arrivals

We now have four school hens; a Warren, a Blackrock, a Sussex and a Bluebell! They will be cared for by the classes on a rota basis. When your child's class is on duty the eggs will be available exclusively to you at a very reasonable price! There are some great photos on the website.

In this small space we learn to value one another, to think, to learn, to wonder and create.
