4th November 2016

Dear Parents and Children,
Welcome back to everyone - I hope you had a good break.

Collective Worship

This week we focused on "All Saints" day and we thought about how we are all called to be "saints" and we learned about some of the famous Saints who lived their lives to serve others.

Roman Visit - Class 4

Class 4 enjoyed a memorable visit to Chester as part of their current history topic. They found out about life as a Roman soldier and learned about the legacy that the invaders left behind.

PTA Film Night

Thank you to everyone who supported this event. The children thoroughly enjoyed "Hotel Transylvania 2" and the refreshments. We will be holding another Film Night this half-term so that you can get some Christmas shopping done - look out for the date. Thanks to the parents who helped with this.

PTA Talent Night - Friday 11th November

Please come to Class 5 after school on Thursday with details of your act (approximate timing and any requirements); please bring any music so that we have it for the real thing on Friday. We will not be able to hold rehearsals this year but we do need a running order so please come along at 3.30pm. It should just take a few minutes for each person to register with us and give us their information.

Black History Showcase

All classes have spent time this week finding out about significant black people who may not have been given the recognition they deserved in the history books. The children shared their learning in our celebration assembly and we all learned something new.

Lending Library

We are very pleased to announce that the new lending library will open on Wednesday 9th November at 3.30pm. We have Class 6 Librarians ready to help you choose and borrow from an extensive range of books. The library is open to all our pupils and any younger siblings. Thank you so much to everyone who has donated books; we have a superb collection to open with. Thank you to Mrs. Allen who has sorted and stamped the books and got the library up and running.

Packed Lunches

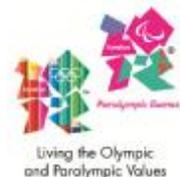

Can I issue a plea once again that packed lunches do not have any nuts or sesame seeds in them as we do have children with allergies. We have had peanut bars and other items in the past few weeks and this could be potentially dangerous to these children.

Au Revoir!

Finally I would like to say farewell from all of us at school to Carter and Maison Lambert and their family. We hope they settle in quickly to their new home and school and look forward to hearing from them when they come back to Liverpool to visit. We will miss both of you very much but know you will enjoy this adventure with your family.

Regards,

Mrs. Monaghan

In this small space we learn to value one another, to think, to learn, to wonder and create.
