13th January 2017

Dear Parents and Children,

Our first full week back has been a busy and successful one.

Crosby Hall Educational Trust

Class Four had a brilliant time at CHET where they tried all kinds of activities including archery, pottery, orienteering and getting very muddy in the various swamps and on the obstacle course. The children also did street dance and the night walk as their evening activities. The children were superb ambassadors for the school and impressed the CHET staff. A big thank you to Mrs. Binns and Mrs. Ashton for taking the class and looking after them so well.

African Arts Day

Class Five spent a day at Range High on Wednesday where they attended a range of workshops. The children tried drumming, African dancing, made jewellery and masks, sang and created a play - all in one day! The class performed their work for their parents at the end of the day and we were all really impressed with their confidence and their performances. The work they did will count towards their Arts Award and will gain them their "Discover" level.

Eggs for Sale

Our hens continue to lay eggs daily and we are able to offer the eggs to you for a donation. If you would like to buy some please ask at the office. They are delicious! If you can help look after the hens any weekend please let the office know as we currently have no one on the rota.

Parents Evenings

You should have booked your appointment by now and we look forward to seeing all of you on Tuesday and Wednesday this week. This is an opportunity to have a short discussion about your child's progress and to see their targets for this term. Please be aware that any time for longer discussions must be arranged separately with your child's teacher as otherwise the appointment will delay the people following you. Please use the playground entrances to the classroom to avoid walking through other people's meetings.

Beach Clean

Beachwatch are looking for volunteers to help clean up Freshfield Beach on Friday 20th January between 10.30am and 12 noon. The meeting point is the beach car park by the info point and rubbish bins. See www.mcsuk.org/beachwatch for details.

Term Dates

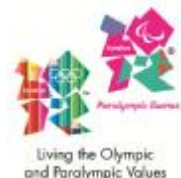

Please note that the summer term this year will end on Wednesday 19th July at 2pm which is a change. Thursday 22nd will be an INSET day as we have one left to allocate for the year.

Calendar Dates

Please check the website as it has been updated with events and activities for the spring and summer terms as far as we know them. The dates can be subject to change so it is a good idea to check the website regularly.

I hope you have a lovely weekend,

Mrs. Monaghan

In this small space we learn to value one another. to think. to learn. to wonder and create.
