20th January 2017

Dear Parents and Children,

Collective Worship - Going for Goals

This week we have thought about how we can set ourselves new challenges and targets for the school or calendar year. Children were asked to think about something in any area of their life that they wanted to do or do better; we thought about who we can call on to help us achieve our goals.

First Holy Communion Preparation

On Thursday evening we met with 35 first communicants to begin their preparation for this special sacrament on June 10th. Our Class 4 pupils were joined by children from other schools and we had an enjoyable hour together. The next meeting is Thursday 9th February at 6.30pm - drinks available from 6pm onwards.

Real Schools Guide 2017

The following link has been brought to my attention and may be of interest to you. The Liverpool Echo use published national and local data to give parents information about schools locally and in the national context.

Football Kits Fundraising Event

Our Footballers are holding an event next Friday after school in the hall in order to raise funds for new kit. We are travelling to the northern finals of the English School Football League Cup in March and would like to look our best and be warm and comfortable. There will be a cake sale, Beat the Goalie and a signed Everton shirt to be raffled.

Design Competition

The football team are running a competition as part of their fund-raising campaign. Entry costs 50p and you can choose to design a new school kit or badge for the kit - entry sheets will be on sale in school from today until next Friday.

Parents Evenings

Thank you to all of you for your attendance at parents evening once again this week. It is so important to us that you support your children in the way that you do and we know we can rely on your partnership to get the best possible outcomes for them. To your credit they are happy and curious learners who are a pleasure to be with - thank you!

Christmas Cards

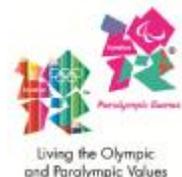

The PTA would like to pass on their thanks to everyone who ordered Christmas cards last term. They have raised a total of £526.99 which is fantastic.

Calendar Dates

Please check the website as it has been updated with events and activities for the spring and summer terms as far as we know them. The dates can be subject to change so it is a good idea to check the website regularly.

Enjoy your weekend,

Mrs. Monaghan

In this small space we learn to value one another. to think. to learn. to wonder and create.
