27th January 2017

Dear Parents and Children,

Collective Worship – We are the Guardians

This week we are reminded that it is our responsibility to care for all of the natural world and to be the guardians of the planet's future. We celebrate all of the wonderful world created by God.

Football Kits Fundraising Event

Don't forget our event today after school in the hall. There will be a cake sale, Beat the Goalie and a signed Everton shirt to be raffled. All funds will go towards the purchase of a new kit for all the school football teams.

Plan a Playground Competition

For the last four weeks Class 6 have been working on a project to plan for our playground to be refurbished and improved. The children in school have all been given a survey to complete at home and there has also been a design competition. Class 6 will be presenting their project to the school in a couple of weeks and may well be asking for your support for fund-raising events. We have an amount allocated from school budget and the PTA but the pupils are keen to increase this as much as they can.

Jospice Toys

Jospice have sent a certificate to thank us for the money we raised at Christmas. The total was £48 - all the toys they sent were sold. Thank you to everyone who supported the appeal.

CAFOD Assemblies and Workshops

On Monday 27th February we will be visited by CAFOD volunteers who are going to present an assembly for the pupils and then run workshops for the rest of the day. We would very much like some parents to come along to see what they do and help with the workshops. If you are free and would like to join in please let your child's class teacher know or the school office. Places will be limited but it would be good to have some of you with us.

Rainbows

We are able to offer a support group for any pupils who have suffered bereavement, loss or separation in their lives. This can be recent or in the past. The Rainbows club will run at lunchtime once a week and runs for half a term. We would be looking to begin a group after February half-term so if you think this is something your child would benefit from please contact the school office. The group is run by trained staff from school.

Parking

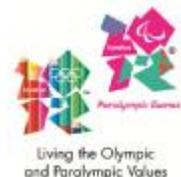

Please respect the driveways and pavements on Edenhurst Drive so that we can keep all of our children safe and minimise the risk of an accident.

Children's Mass

This Sunday there is a Children's Mass at 9am at St. Jerome's Church. Please come along and join this celebration with the rest of the parish.

Enjoy your weekend,

Mrs. Monaghan

In this small space we learn to value one another. to think. to learn. to wonder and create.
