19th January 2018

Dear Parents and Children,

Collective Worship – Going for Goals

We have thought about how we can set goals for ourselves to achieve and who we may need to ask for help. We have reflected on our different gifts and how thankful we are for our unique personalities and talents.

Beach School

This term we will be focusing on the plastics that are polluting our beaches and our oceans. We plan to visit the beach with two classes at a time and to conduct a litter pick-up and a nurdle hunt. Nurdles are a huge problem for wildlife and we want to give our pupils an awareness of what they are and the damage they do. Our aim is to show our children ways in which they can help with this global problem. Class 3 and Class 6 will visit the beach next Friday morning.

Yoga - Class 2

The early morning yoga class with our yoga instructor Jane Gallagher from Formby Yoga was very popular with Class 2 pupils. We have purchased a class set of yoga mats and this will allow us to make yoga an ongoing opportunity for pupils in the school. We hope to make yoga club available to more pupils in the future.

STEM Club

This is an addition to our usual clubs and the children who attend are involved in some exciting engineering projects. They have made a pocket torch and a balloon buggy so far. We hope to share some images of their work with you on the school website and via our Twitter feed.

School Website

Please check the website for dates of events in school. The calendar has been updated this week and new dates will be added weekly. The dates for Parents evenings are now on the calendar.

Children's Mass

There will be a mass at 12 noon on January 21st at St. Jerome's Church to which you are all invited. If your child would like to help with readings and prayers please contact Clare Henderson on clarehenderson30@gmail.com. The plan is to meet an hour before to practice in church.

Have a great weekend!

Regards,

Mrs. Monaghan

Growing in God's Love
