11th January 2019

Dear Parents, Carers and Children,

Happy New Year! We hope you had an enjoyable time over the holidays and are looking forward to whatever 2019 has in store for you.

Collective Worship

This week our focus has been the Epiphany and we have listened to the scripture about the three wise men and their journey to find and worship Jesus. The children have reflected on the joy that the wise men felt and how that joy stayed with them afterwards. We have thought about how we can carry the same joy in our hearts as we go forward into a new year.

Religious Education Inspection Surveys

Thank you for completing the surveys and sending them in for us to collate and analyse. The response rate was good and the inspection team will see all of the sheets when they arrive on January 30th.

Come and See at Home

The information about the R.E. topics for this term are on each class page for your information. If you need any further information please ask the class teacher or any member of staff.

Harry's Scooter Appeal

Harry has been enjoying his scooter on the playground with his friends, the children were all delighted on Monday when Harry rode it into assembly to show it to everyone. The children are keen to keep fund-raising to help Harry have access to a hydrotherapy pool at home which is really important for him.

Foodbank Donations

Thank you for your donations which were taken to the foodbank where they will benefit families enormously. Collections are also made every home game at both Goodison and Anfield or you can take donations to St. Jerome's church at Saturday evening or Sunday morning mass.

Savings Club

If your children have any Christmas money that they would like to invest and save with they will find the Sefton Credit Union savings scheme to be a good option. Children will get a good rate of interest and get into the habit of saving. Please ask at the office or see Mrs. Quinn on the playground.

Walkers Crisp Packet Recycling

We have registered with this scheme to recycle crisp packets. We will be collecting any make of crisp packet from the children each lunchtime and they will be sent in to be recycled. We get £2 for every 2kg of packets we send and we can either have the cash or give it to charity. The Eco-Council will be leading on this and will ask the classes what we should do with whatever we raise.

Tesco bags of Help

Please don't forget to ask for the tokens for our playground project in Tesco - we would really love to win the £4000 this time so we can get the remaining equipment for the playground.

Roadworks and Gas Works

We were advised yesterday that there will be extensive work taking place from Monday around the school. This may cause considerable disruption to traffic and some hazards for pedestrians so please be aware of this as you make your way to and from school. We will update you with any further information when we have it.

Have a great weekend!

Regards,

Mrs. Monaghan
